- *creating new, vivid social space
- *functions+ [sitting, smile..]

embracing the trees

new social places

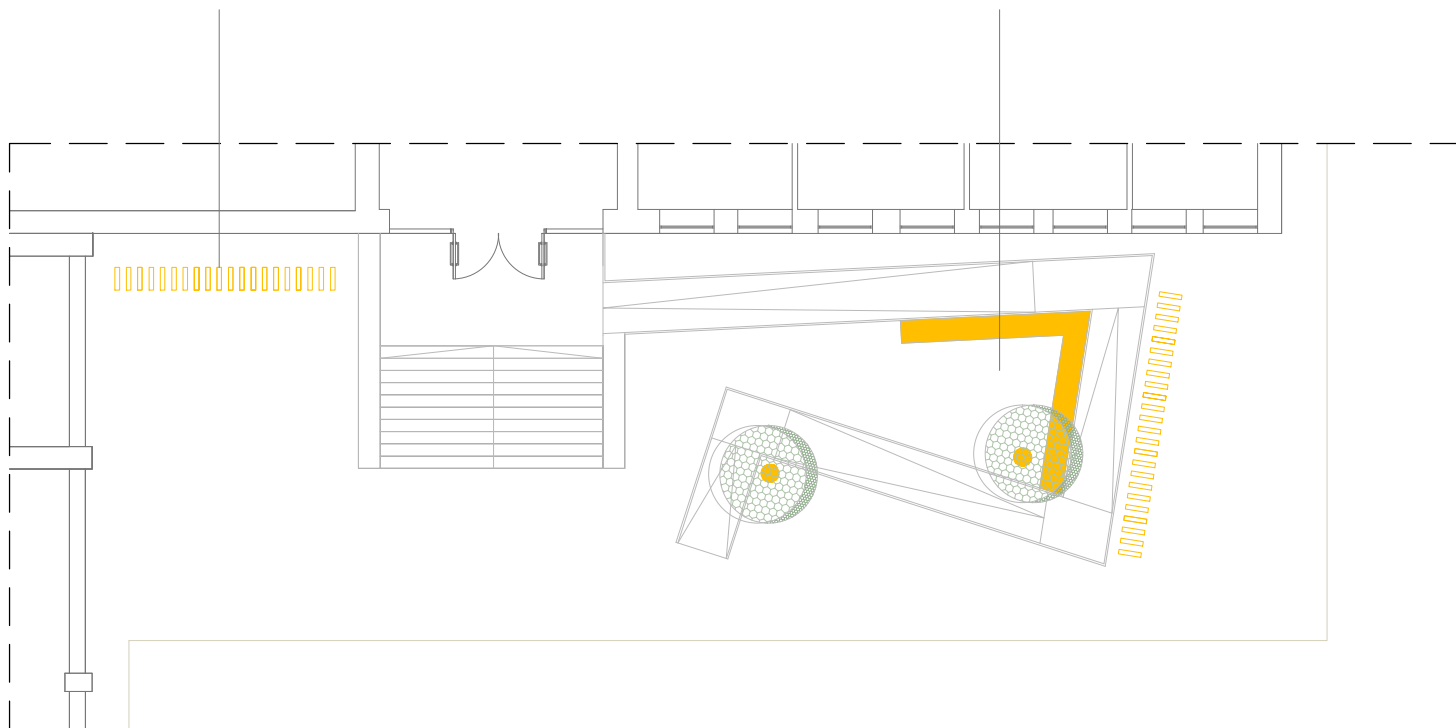

solutions >> back entrance

- *creating new, vivid social space
- *functions+ [bicycles, sitting, smile..]

bicycles

sitting under a tree. shadow

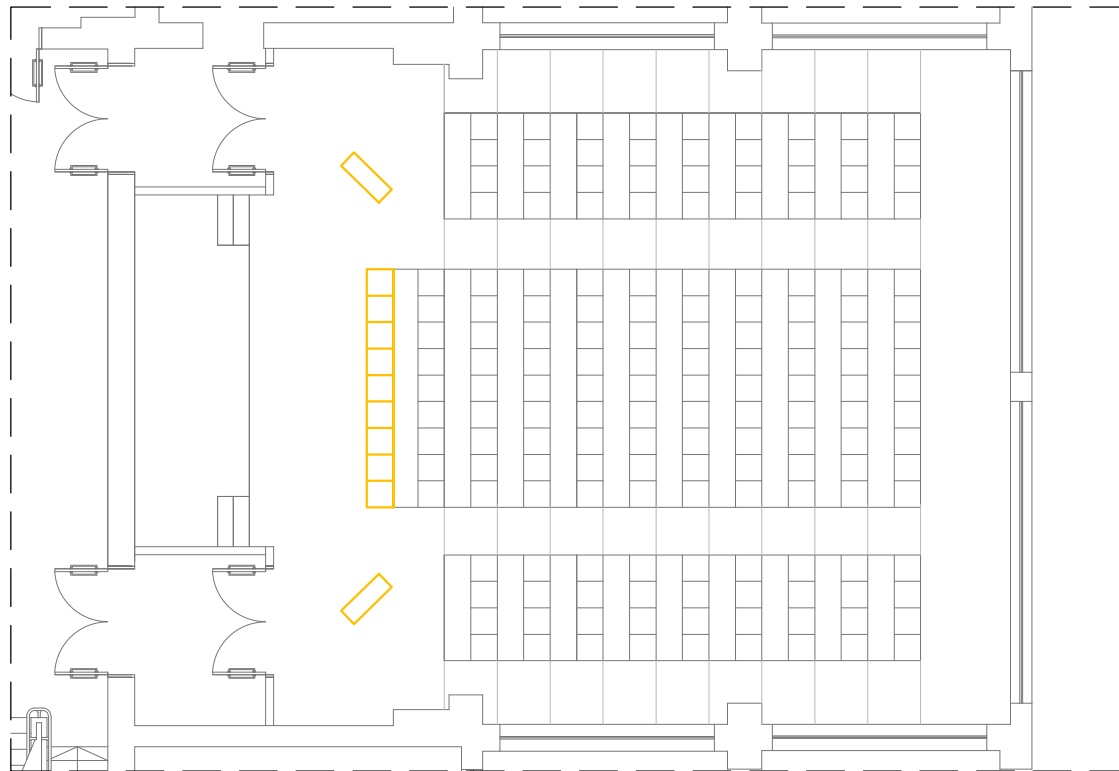

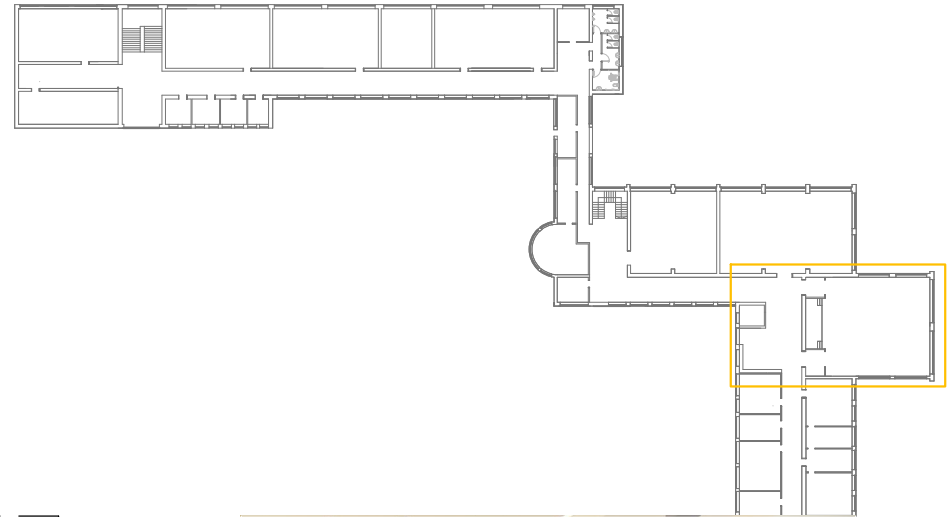

solutions >> vertical obstacles

* access to the lecture rooms

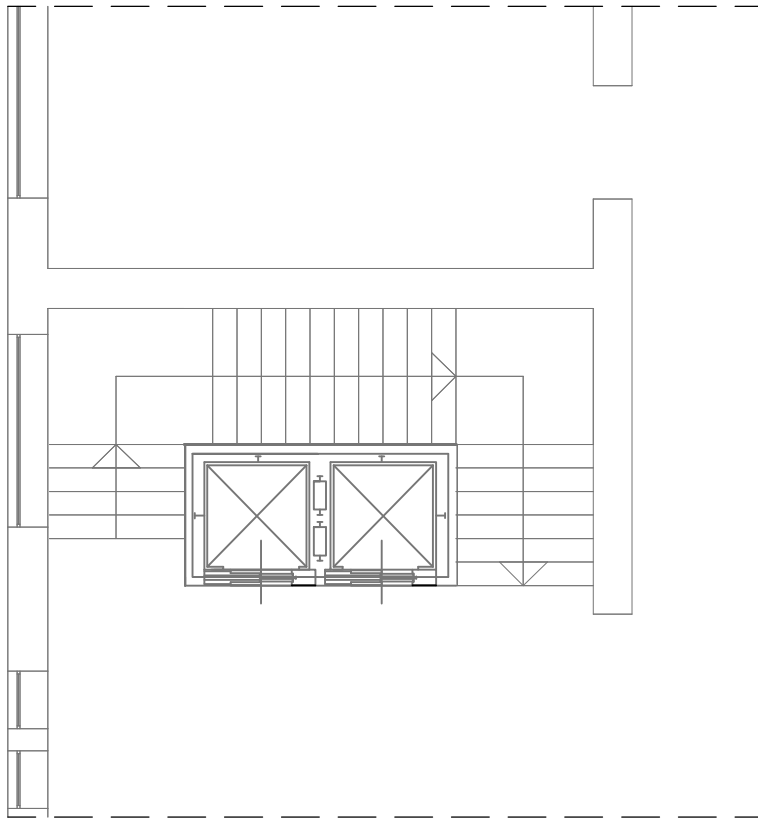

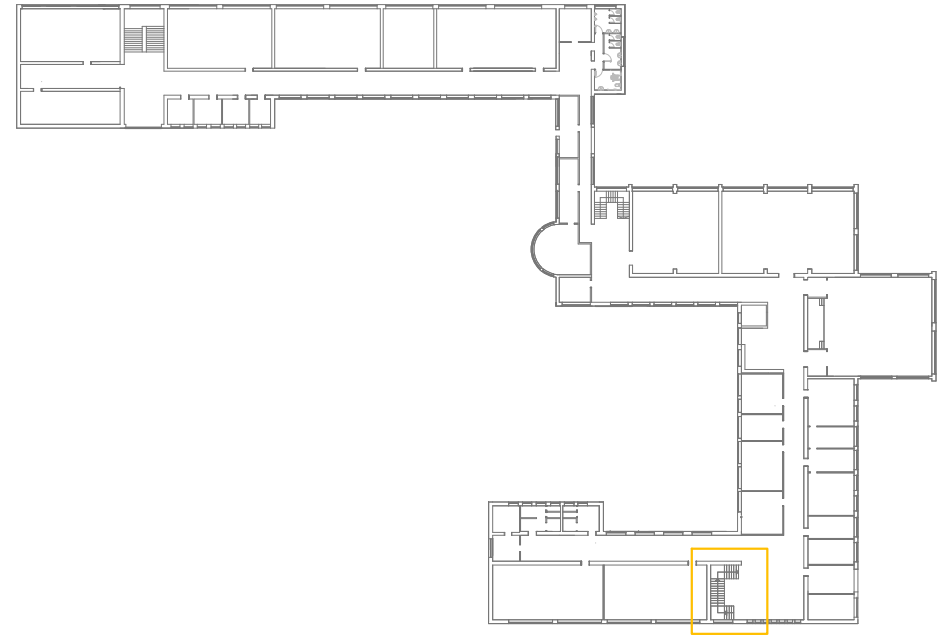

_floors 1,2

- > additional row of sitting
- + places for disabled people
- > accessible, transparent doors,

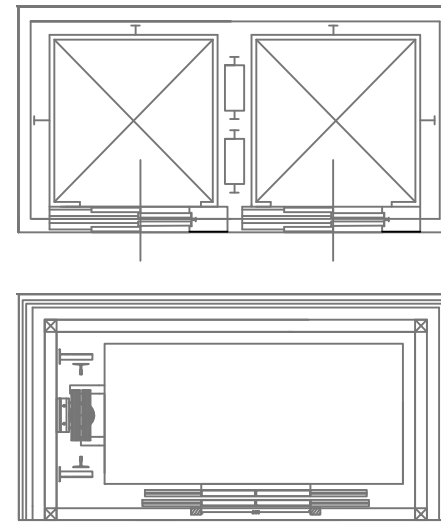

solutions >> vertical obstacles
* elevators in the main staircase

_floors 1,2,3

> technical specification

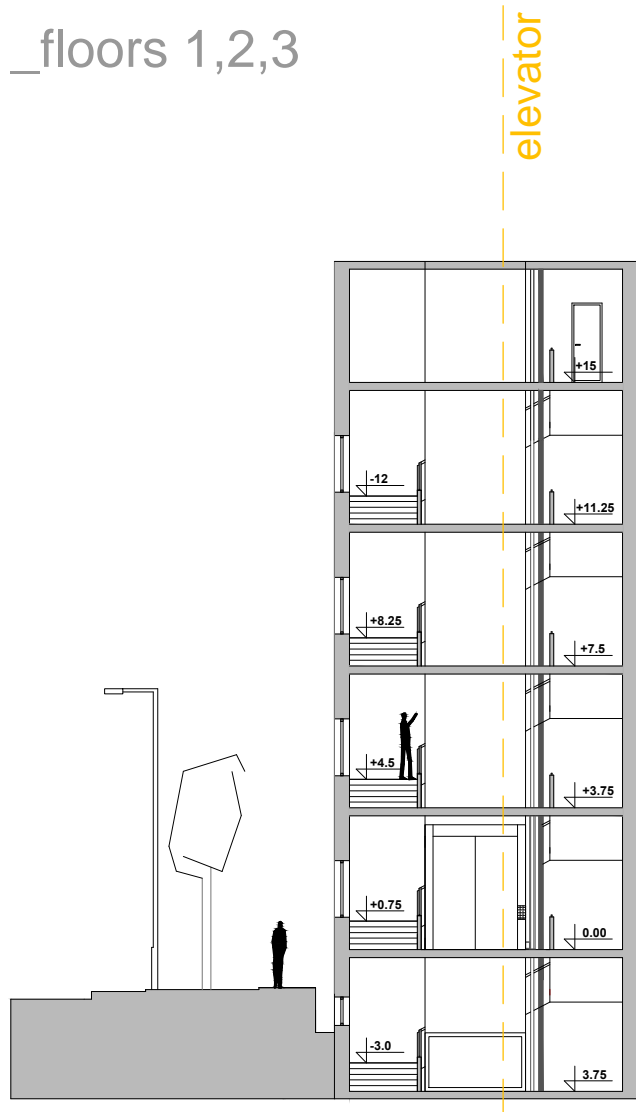

solutions >> vertical obstacles

* elevators in the main staircase

_floors 1,2,3

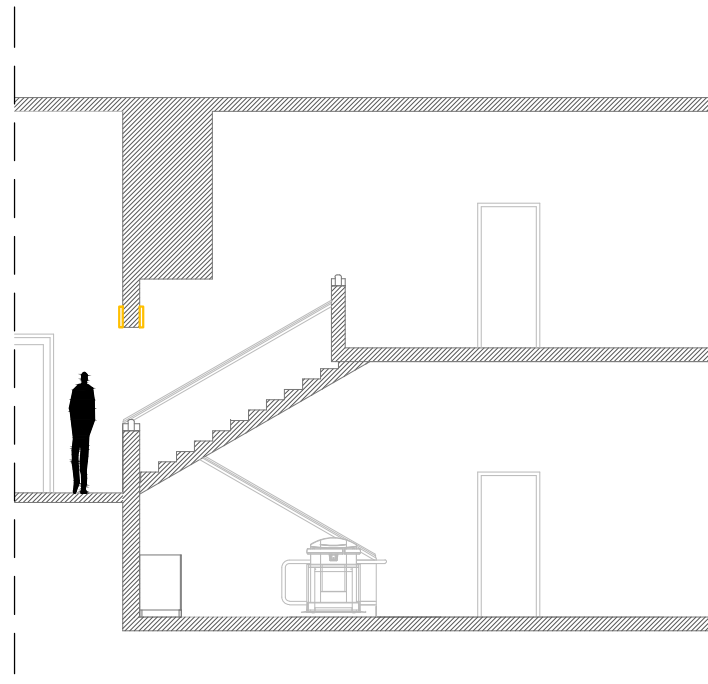

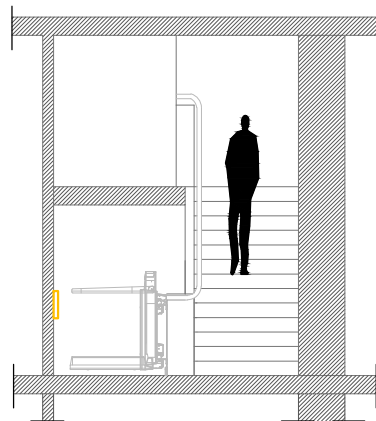

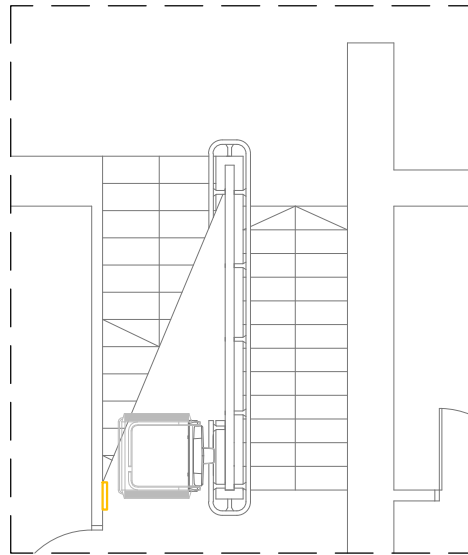

elevator

solutions >> vertical obstacles

* denivelations

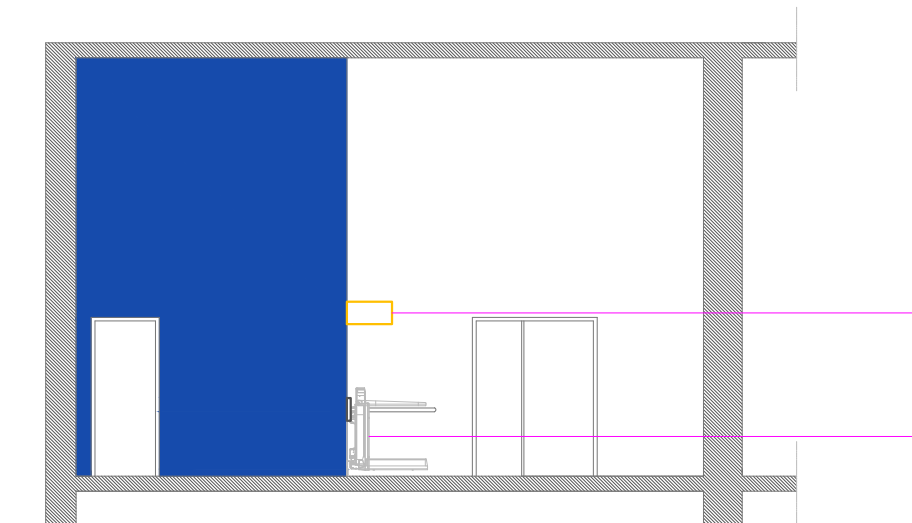

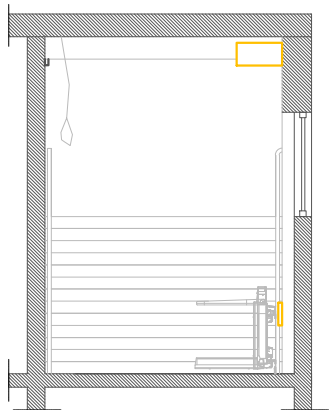

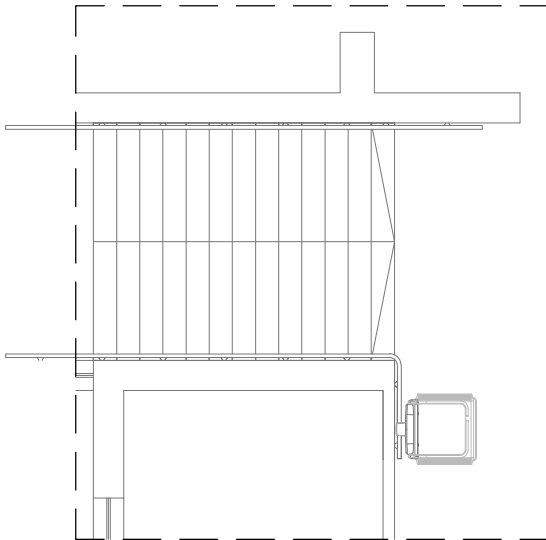

_floors 1,2,3

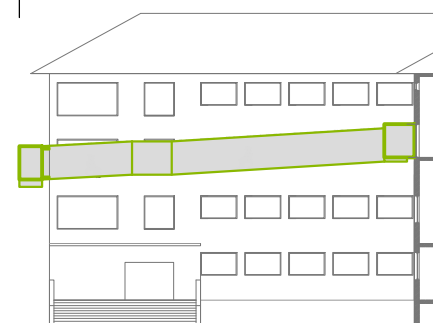

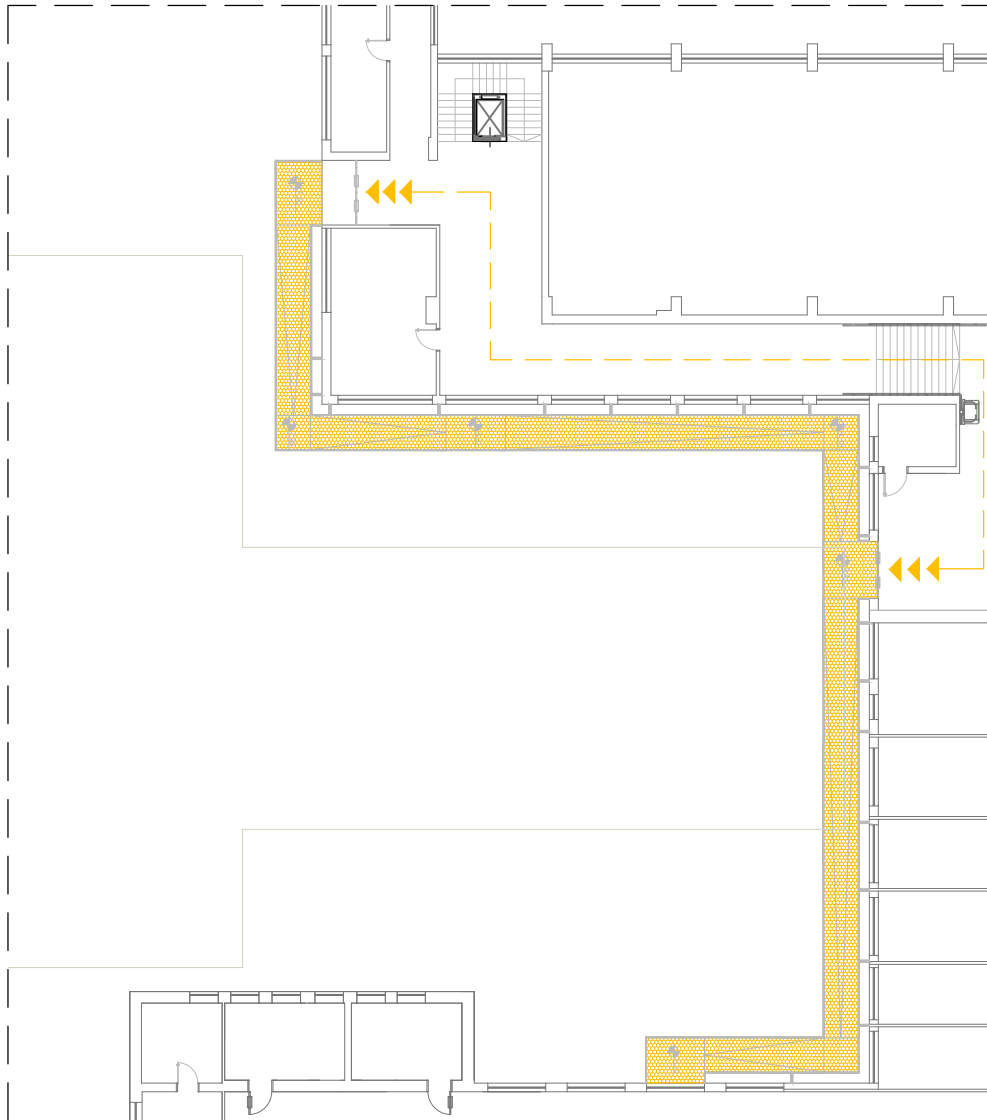

solutions >> vertical obstacles

* denivelations

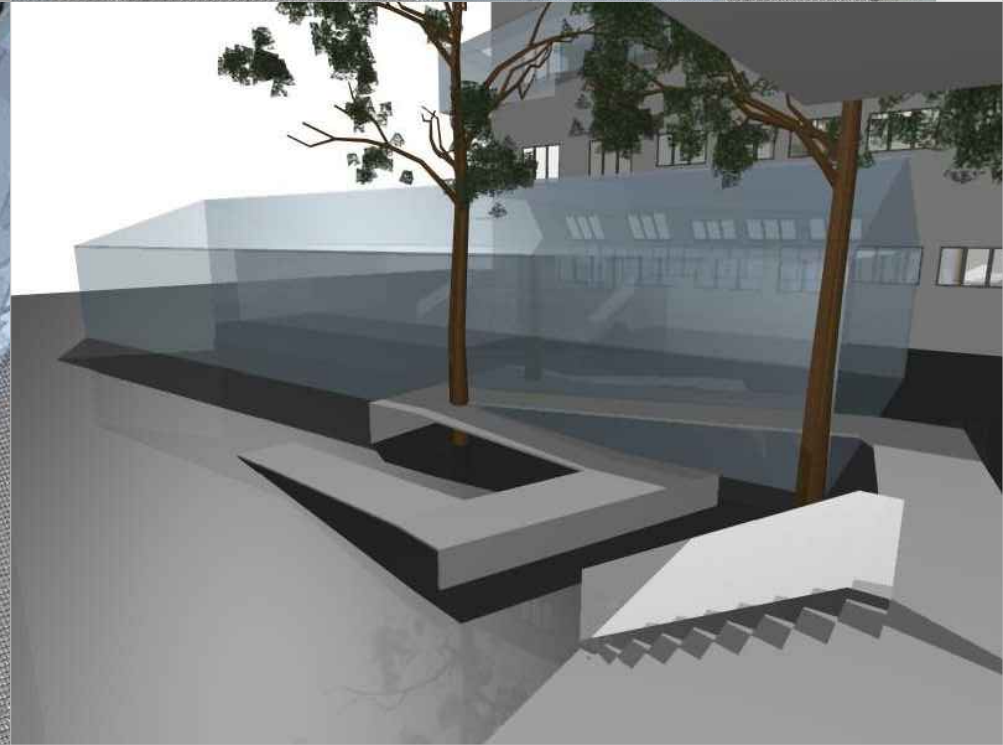

_floors 1,2,3

solutions >> vertical obstacles
new passage/new landscape/newstory.....

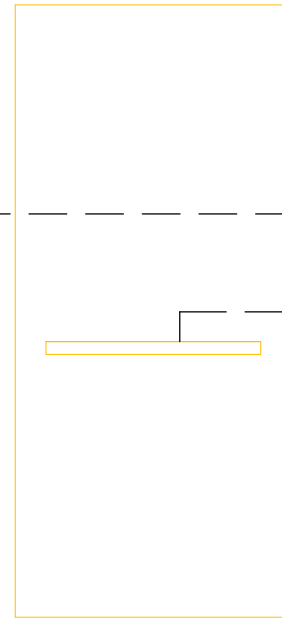

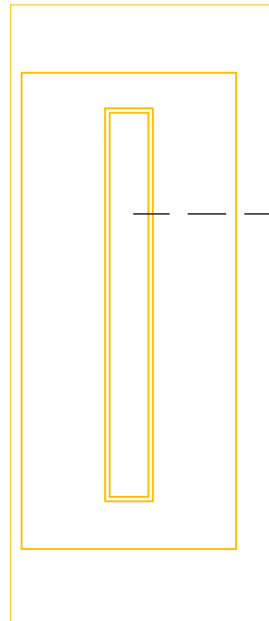

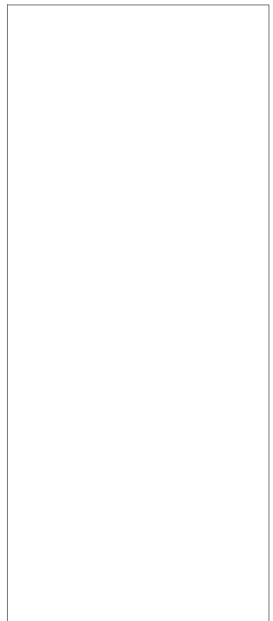

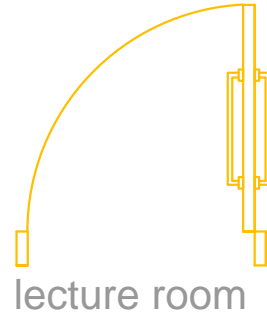

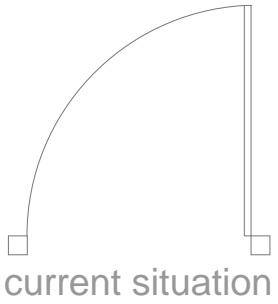

new stories.....

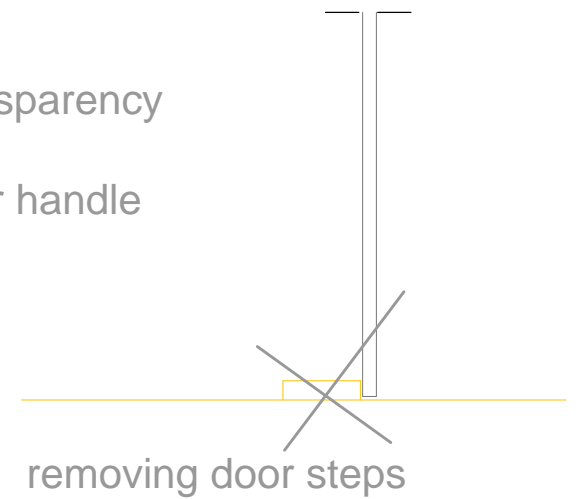

solutions >> horizontal opstacales

handles
transparency
doorsteps

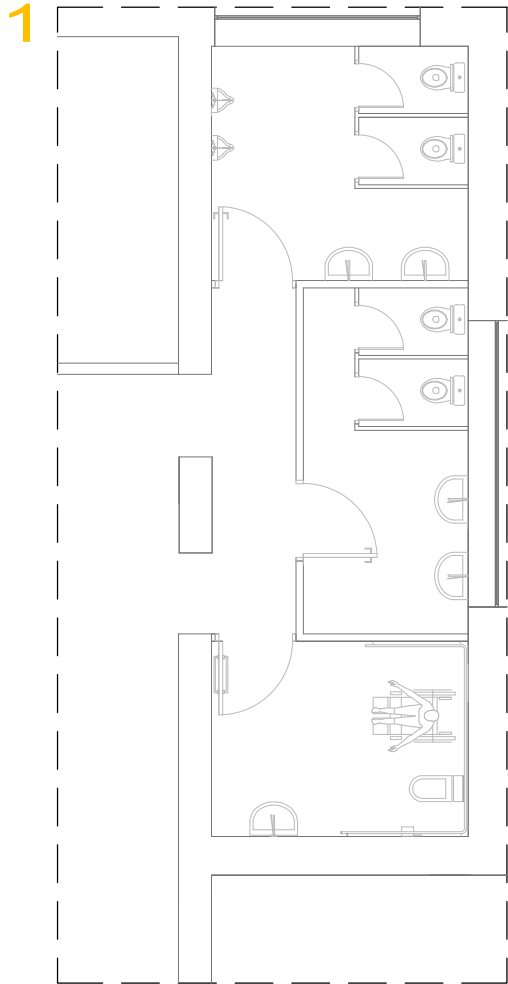

transparency

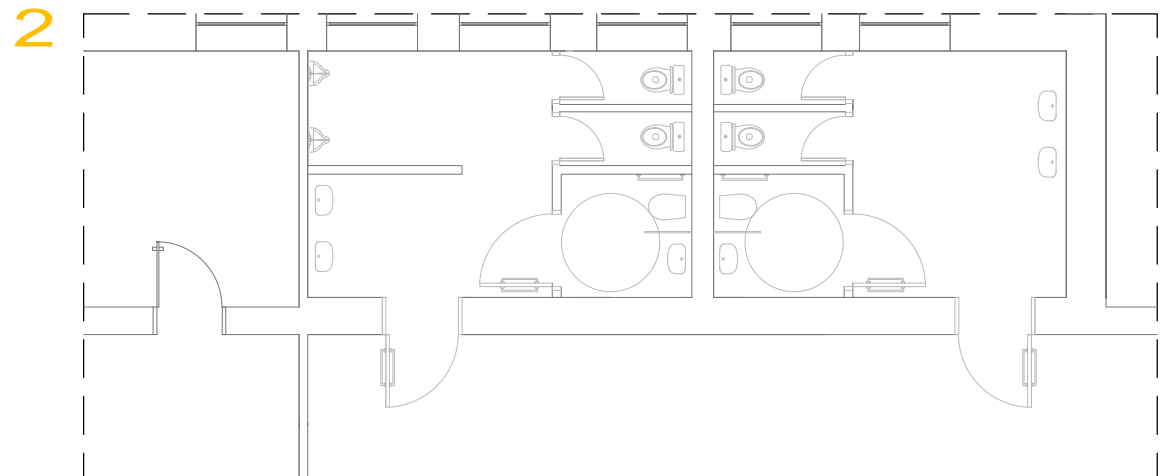

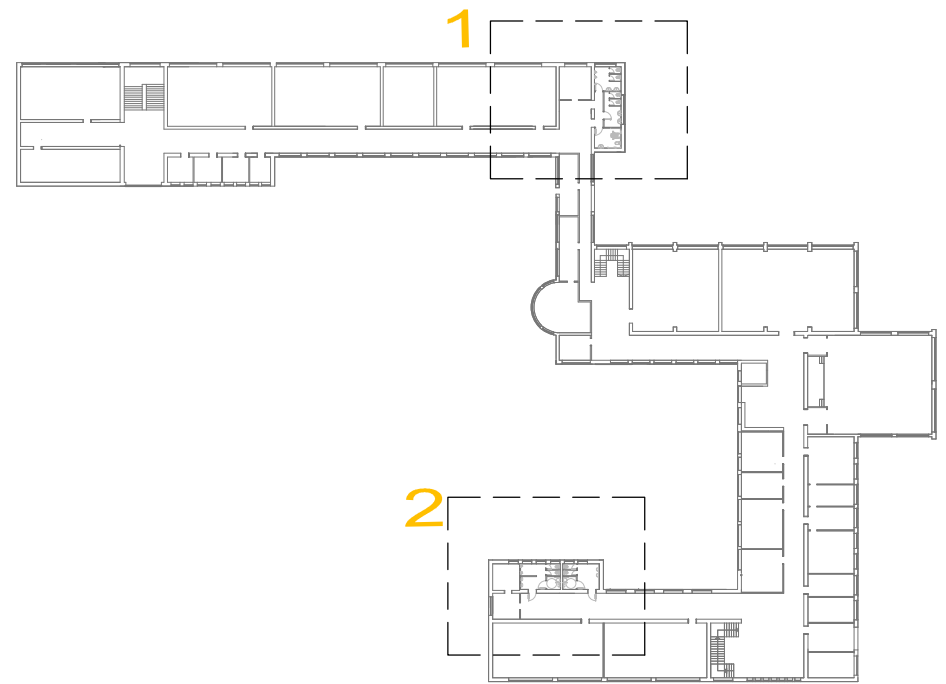

door handle

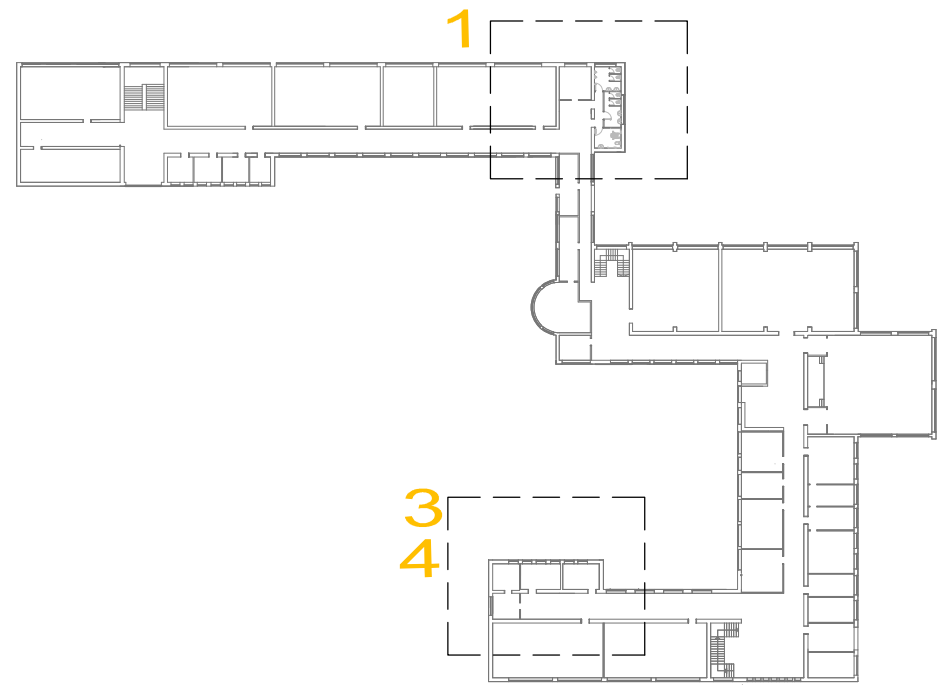

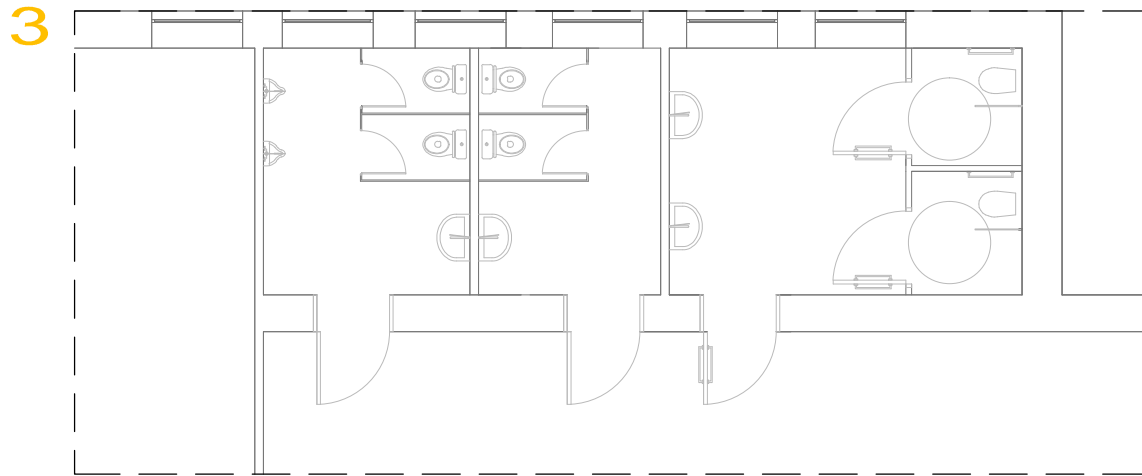

solutions >> toilets
toilets for disabled people

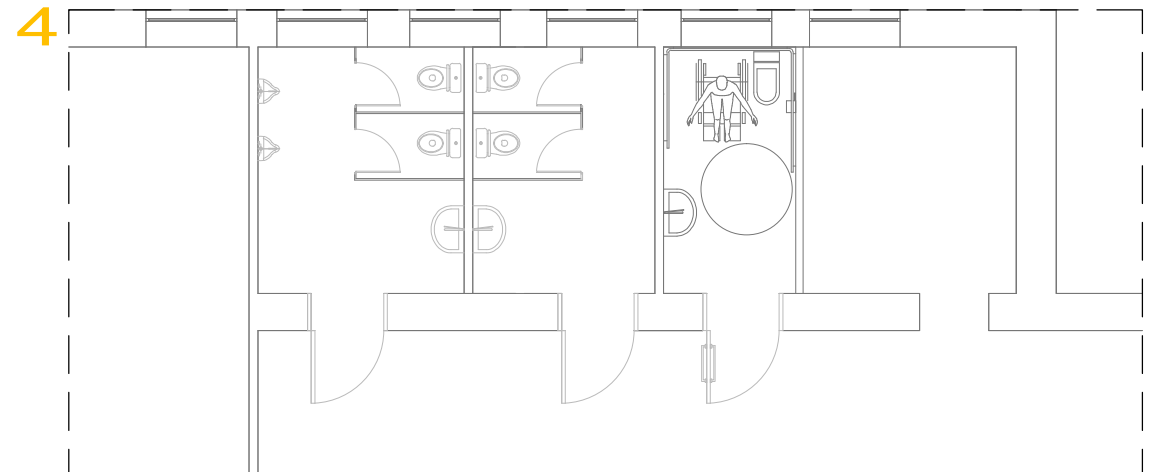

> proposals

solutions >> toilets
toilets for disabled people

> proposals

GROUND FLOOR

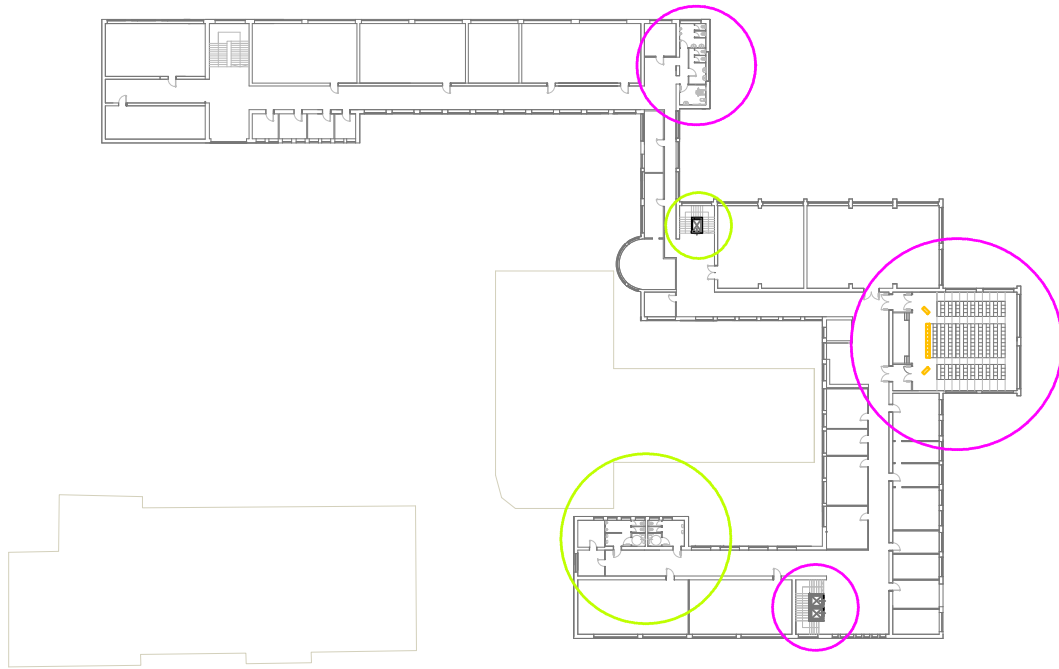

*realisation steps

- 1
- 2

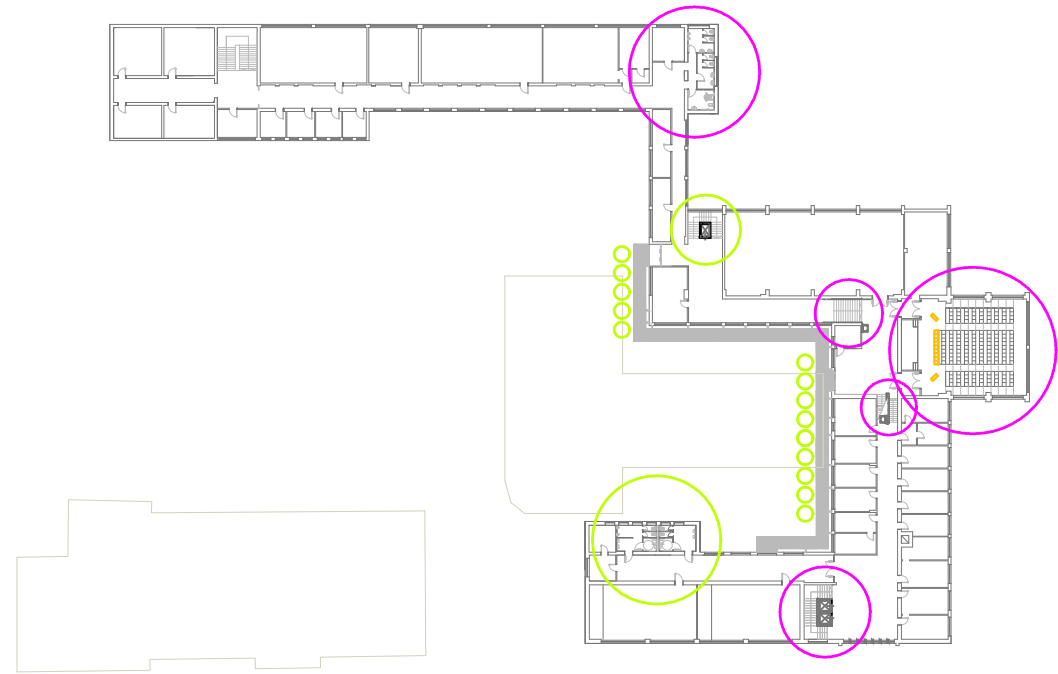

FIRST FLOOR

- 1
- 2

SECOND FLOOR

- 1
- 2

Thank You for Your attention :)
